

Community Support Services

The Council on Aging Community Support Specialist helps clients connect to supportive services to reduce re-victimization and isolation

Who We Help:

- Women and men age 65 or older, and dependent adults 18-64 years old
- Any resident of Sonoma County, who has experienced abuse or trauma at any point of their life

Services Offered:

- Case management for ongoing stabilization
- Referrals for resources and home visits for ongoing individualized support
- Goal oriented care plans base on individualized need
